

ACO 2024 FULL-DAY LABORATORY COURSE
LIVING BLOOD: THE REICH BLOOD TEST
Course Syllabus

Saturday September 7, 2024

9:30 a.m.: Students arrive, register, and meet each other and faculty informally.

10:00 – 10:10 a.m.: *Welcome and brief orientation.* Dr. Chastka

10:10 – 10:35 a.m.: *Bions lecture.* Dr. Foglia

10:35 – 11:05 a.m.: *Bion preparation instruction.* Steve Dunlap

11:05 – 12:05 p.m.: *Individual preparation and observation of bions with faculty supervision.* Students will *prepare* and *observe* earth and coal bions (control and active.) Students will *observe* earth, coal, sand, iron and grass infusion bions from prepared samples. Preprepared control and active bion preparations will be available of earth, coal, sand, iron and grass for observation. Steve Dunlap

12:05 p.m. – 12:20 p.m.: *Questions and Answers* with Faculty.

12:20 p.m. – 1:00 p.m.: *Lunch.* To be provided by the ACO

1:00 - 1:10 p.m. *Introduction.* Dr. Chastka

1:10 - 1:40 p.m. *The Reich Blood Test lecture.* Dr. Chavis

1:40 - 2:10 p.m. *Instruction.* This will include instructions on how to draw blood for observation and for the autoclave test followed by the initiation of a Reich blood test on the Zeiss microscope with instruction on how to record observations. Steve Dunlap

2:20 - 4:20 p.m. *Individual preparation and personal observation of students' own Reich Blood Test, including autoclave test*

2:20 - 4:20 p.m. *Questions and Answers*

4:20 - 4:30 p.m. *Break*

4:30 - 4:40 p.m. *Introduction.* Dr. Chastka

4:40 – 5:40 p.m. *Reich Blood Test of a Cancer Patient, and possibly, a vaccine injured and/or long Covid patient.* Steve Dunlap and Staff

5:40 – 6:00 p.m. *Questions and Answers*

6:00 p.m. *Closing.* Dr. Chastka

What reading to be assigned: [The Cancer Biopathy: The History of the Discovery of the Orgone.](#), [Reich Blood Test Summary](#) a short summary by Mr. Steven Dunlap, and [Rules for Scientific Research](#) by Wilhelm Reich.

Recommended reading: [Overview of Wilhelm Reich's Work](#) by Dr. Peter A. Crist (online course slides), [Wilhelm Reich's Legacy: Bombshells in Science](#) by Dr. Peter A. Crist and [The Bions: An Investigation into the Origin of Life](#) by Wilhelm Reich, Serialized in the Journal of Orgonomy, Volumes 10(1) through 13(1). Volume II, first four chapters, *The Reich Blood Test, Orgone Energy Bulletin*, volume IV, number two, April, 1952.
